# Monumental Column™ Series

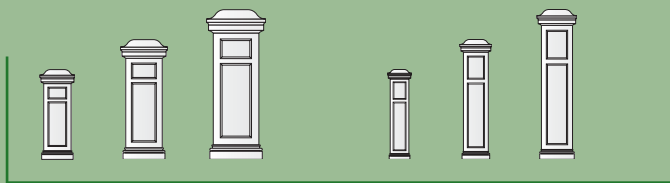

The strong, stately look of columns adds a bold dimension to virtually any type of fencing and creates visual impact for your home.

## Strength With Style

Crafted from crushed stone with the appearance and feel of hand-carved masonry, our Monumental Column Series is reinforced with galvanized steel framework and architectural fiberglass, all protected by a maintenance-free exterior finish, backed by our **15-YEAR LIMITED WARRANTY**. Decorative beveling and a choice of heights, sizes and topping caps create a customized look.

## Configurations & Options

**Stone Columns** Available in three heights: 4', 5' and 6' and in two sizes: 21" and 12"

**Caps** Terra Cotta, Orb, Curve and Peak

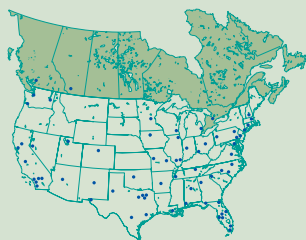

## You've Arrived

As the saying goes, your home is your castle, and Master Halco's Monumental Column Series welcomes you home in the style you deserve. Combined with estate entry gates, our columns enhance your property for visiting guests as well as the masters of the house.

## Local Commitment

Since 1961, Master Halco has grown to become the largest manufacturer and distributor of fencing materials in the world, servicing thousands of the best retailers and installers across North America.
